

To Whom It May Concern,

I am writing this letter of recommendation to highlight the merit, work ethic, and competency of Maria De Jesus Rizo. As Maria's computer science teacher, I have been able to see her dedication and passion on a daily basis. She is a consistent student who works diligently every day to improve. She has expressed to me on numerous occasions her enthusiasm for the subject and has produced some of the best work in her class. Maria is self-sufficient and is also able to help other classmates who do not have her same capabilities. She currently has a 96% and has been improving as the semester progresses. I have only known Maria for a few months now, but I can already tell she is the type of person that will seize an opportunity if one presents itself. She is extremely gracious, positive, and would be an asset to any organization.

If you have further questions or concerns about Maria I have detailed my contact information below

Best Regards,
